tumkur university

Department of studies and Reasearch in Chemistry ,
University College of Science,
Tumkur University, Tumkur

2025-2026

SEMINAR TOPIC: effects of anharmonic oscillation : energy equation and energy levels,vibrational quantum number,transition moment integraland the selection rule.

Paper Code: CPT:1.3

SUMITTED TO:

Coordinator

DOSR in chemistry

University College of science

Tumkur

SUMMITTED BY:

KEERTHANA H N

I M.Sc., I Semester
